Business plan template

1. Business idea:

- What do you want to offer? Describe your product or service.
- What are your competitive advantages?
- Describe your intended customers/target group: age, sex, regular customers, passing customers, purchase power.
- Do you already have any potential customers?
- Which legal structure is planned?

2. Founder/staff requirements:

- Do you have any sector-specific experience and/or knowledge?
- Do you have any commercial knowledge?
- Are you setting up your business alone or with partners?
- What are your technical qualifications and those of your partners?
- Please add your curriculum vitae.

3. Marketing:

- How do you plan to attract attention to your product or service (through word-of-mouth, advertisement, flyers, website or direct acquisition etc.)?
- Who are your competitors?
- How are your costs/benefits/services in comparison to your competitors?

4. Location:

- Where do you want to offer your product or service?
- How accessible is the location by public transport/car etc.?
- Are there any passing customers?

5. Turnover/calculation:

- What price can you receive for your product/service?
- How will you calculate the price of your product/ service? (e.g. hourly rate)?
- How many customers do you expect per day, week, month, year?
- Are there any (seasonal) fluctuations typical for your business sector?
- On average, how much profit will you make from each customer/transaction? What terms of payment will you define?
